MUSEUM PARTY

Volunteers Wanted

We are in need of volunteers to form a committee and help write a grant for federal funding for the Canada 150 Fund. We are hoping to obtain monies to celebrate and recognise our museum grounds as the site of one of the earliest, if not the first, school houses in Canada.

If you would like to volunteer please email mwebber@eastlink.ca or contact us at the museum.

Artifact Of The Issue

Can you guess what this wooden barrel was used for? It's a keg that was used to store liquids, frequently alcohol. To see more of our collection please visit us at fortpointmuseum.ca or novamuse.ca

It's Membership Renewal Time!

The monies obtained by membership fees support the operations of the museum. With membership monies, visitor donations, and amazing volunteers we are able to not only maintain the building and site, but also offer events and programs, and be an active part of the LaHave community.

New volunteers and members are welcome!

A membership form has been attached to this email. For more info on how you can get involved please call us at 902-688-1632 or email us at lchsftpt@gmail.com

Fort Point is hosting a community gathering for LaHave residents, community groups and churches, interested artisans, and local businesses.

The party is designed to generate ideas, share concerns, explore ideas for future planning and gain knowledge of how we can work together or serve best to ensure LaHave and immediate surrounding areas remain a thriving community. It is an opportunity to bring together like minded peoples, possibly form partnerships and inspire one another.

-- School Exhibit --

Come see our school exhibit! We have class and school pictures from old schools in the area including Dayspring, LaHave, LaHave Islands, Middle LaHave, Upper LaHave, Crousetown, Petite Riviere, and Pentz. Fort Point was once home to a school dating back to 1632!
